Hole found punctured next to the door lock
Speakers, iPod, subwoofer, amp and memory stick stolen
No witnesses or further lines of enquiry
- Reminder for all residents to not leave anything of value in your vehicle and particularly not to leave anything on display. Ensure that all vehicles are secure when not in them.

Theft of motor vehicle - 0

Theft not vehicle related - 0

Criminal Damage - 1

- **Done Cerce Close** 15/12/2011
Graffiti found on fence panels along a footpath in the close. No witnesses
SNT conducting evening patrols following some reports from residents of groups congregating in the area.

Further Note:

The theft of Scrap Metal continues to be a priority in the rural areas for the Neighbourhood Policing team. A tasking has been created for the safer neighbourhoods team to conduct targeted patrols of potential sites for scrap metal. A two-day multi-agency operation was carried recently, targeting scrap metal merchants in Rugby. We ask that if residents see scrap metal merchants in the area to make a record of the time and any details of the vehicle(s) being used and to pass this information on to Police.
